ALTIDORE GARDENS

Welcome

Imagined by nature and purpose built for tomorrow, Altidore Gardens is a place designed for all seasons and senses, for all interests and individuals. Newtownmountkennedy's proudest new address offers the perfect balance between rustic country life and a refined urban experience. Encircled by peaceful glens and native woodland, with the village bustle of Newtownmountkennedy just a stone's throw away. Altidore Gardens perfectly mirrors its natural surrounds.

ALTIDORE — — GARDENS

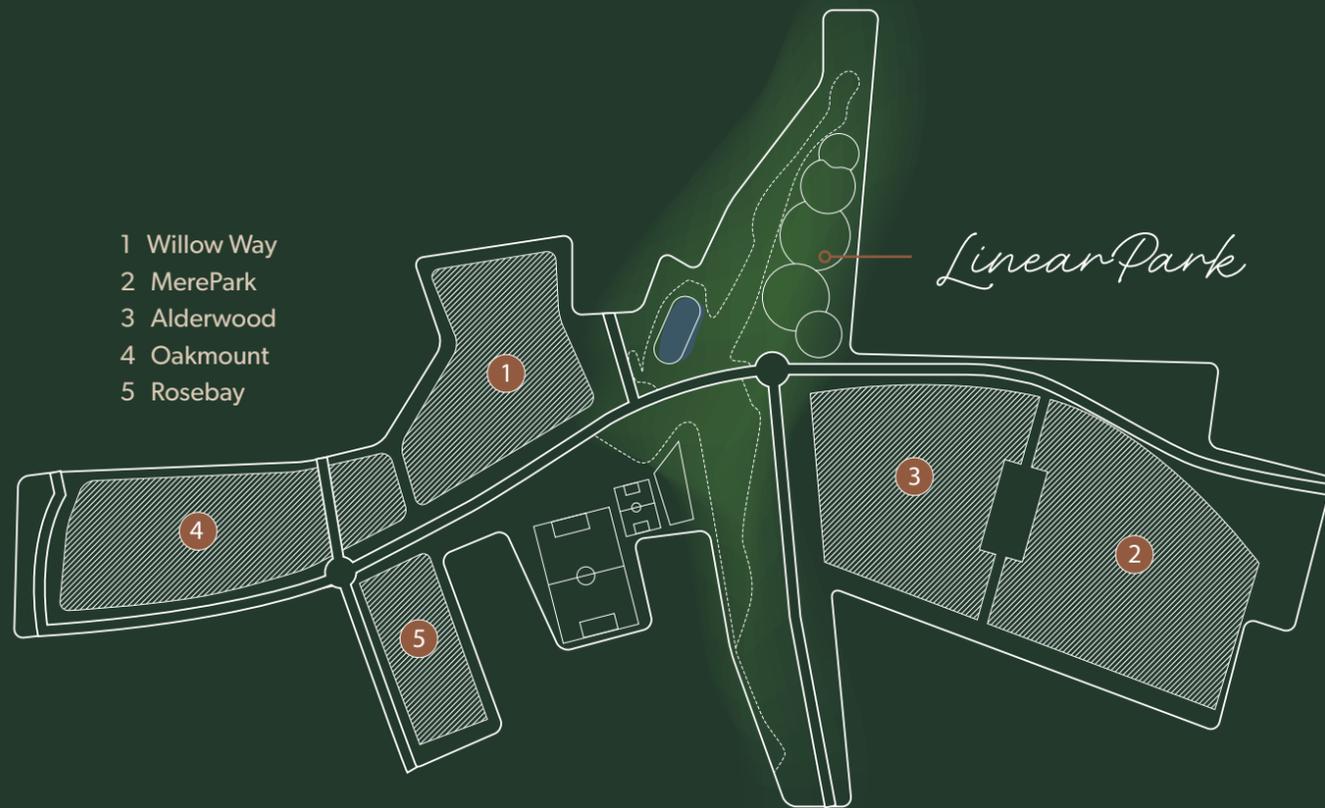

At Altidore Gardens, the principles of sustainability, innovation and connectedness are to the fore in the 5 housing developments, featuring a thoughtfully landscaped and biodiverse linear park at its heart.

This welcoming parkland, while serving Altidore Gardens, will also be accessible to residents in the wider area of Newtownmountkennedy. As a purposefully-designed shared amenity, not only will the park's walking trails, bespoke cycleways and outdoor exercise areas enhance the locale, but it will encourage community engagement and interconnectedness.

“
Nature is at the
heart of...”

ALTIDORE — — GARDENS

At the heart of Altidore Gardens and connecting all the homes, is the imaginatively designed and thoughtfully landscaped linear park. Home to a diversity of native woodland and wildflower meadows, the parkland forms a green and spacious recreational area for residents and a biodiverse oasis for local wildlife.

Together with cycle lanes that bring you right into the village, there's winding pathways, running tracks and outdoor exercise facilities. In fact, all elements of this unique green space have been purposefully designed to pull you outdoors for a walk, a run, a meet-up, or just to breathe in and enjoy the sights and sounds of nature on your doorstep.
